

I wanted to thank you personally for all of your efforts during our <company name> presentation. Your professionalism never faltered. In the future, our paths may cross again and I would welcome that opportunity! Please accept my sincerest gratitude,
-Lisa

I really want to thank you for your kind, gentle way of explaining things. I don't have the knowledge for the tech side of things (obviously!) but you always explain things in a way I can understand and also can go back and explain them to someone else.
-Beth

Thank you so much for your help. My boss and I met with my client and showed them your examples and they are all excited again to do business with us. The best buy site really sealed the deal. They were just so impressed that we have all of the technology already, we just need to implement it. So I have been in touch with Tanya on a few things already.
-Mary

Wow....thanks....this is perfect. If they weigh this part of the RFP at all, I should be in great shape
-Rick

Again, your professionalism and patience have been wonderful! Thank you!
-Greg

Not a problem at all, Dora! Thank you for the prompt explanation! Everyone at Brightstores is always so helpful.
-Beth

We are really pleased with our decision to move the company stores to Brightstores and look forward to a long and mutually beneficial relationship.
-Dean

*Dan,
Thanks for a great presentation... it went well. I believe your program is the best.*
Thanks again,
Thomas

I am so glad I found you. I would never sold this account without you.
-Sue B

We can't tell you how appreciative we are of your insight. It is like a breath of fresh air given our prior experience with our past developers.
-Greg W.

We switched 14 stores over to BrightStores and couldn't be happier...especially with their customer service.
-Brian D

Thank you once again for your time this morning. As always, you have achieved my full confidence with this project and the ones yet to come.
-John K

I can always get hold of someone at Bright Stores. It's MUCH easier than getting hold of someone within my OWN company."
-Steve L
Had I stayed with (competitor) store I would not have gotten this...as it is I have won the bid!
-Judy F

We have never done a program this big before and I can't tell you how much we appreciate the support you have given us.
-Angela D.

I would like to take the time to thank you & Bright Stores for your help. Both Margarita and my self, you have no idea how much we appreciate your help.
-Phil M

Dan- this is GREAT! I am meeting with (customer) tomorrow and will let you know when we are ready to go live.
THANKS!
-Meghan

Dan, a quick note to tell you how much I enjoyed the training session with Tanya – it was a pleasure to work with someone who definitely knows the product...very refreshing. We have not previously gone after the company store business and are reacting to requests from two really big potential clients. I like the capabilities of Bright Stores a bunch and would like to be more prospective about going after some of this business.
-Dan P.

You sure do always have all the right answers! :)
Thanks!
-Ray N.

I'm not sure if I've told you lately how much I love our brochure site and the company stores – and being able to make most of, if not

all of, the changes ourselves!!!
-Bethel

Dan - Thank you so much for your input on this and the company's that you told me about that offer JIT. Luckily, just the ones you mention make for a good, wide range of products and most of them are on our preferred list and have EQP with.
-Nikole

Perfect! You're awesome!
-Amy J.

Thanks. I appreciate the quick response and your help with providing an answer to the client. Have a great weekend!
-Joe R.

I want tell you I appreciate your honesty and integrity with regard to the (customer name) RFP and the fact that (client name) and (client name)both planned on working with you on it.
-Elaine

Jonathon did a nice job on making changes/adding things to our web site.
-Patricia

We look forward to a mutually beneficial working relationship. Thanks to you and your team for your support on this project.
-Jim S.

Thank you for ALL your hard work on this GREAT website. Have a super weekend!
-Debra

I cannot believe how clean this interface is. I told Tanya, I'm used to grueling, confusing software with a huge learning curve. Bright Stores is so clean it's almost scary!
-Chris

Your stores are wonderful to work on! We're not used to such a user-friendly format... :)
Talk to you soon- CR
Thanks again for all your help with winning that account. I couldn't have done it without you.
-Amy

Thanks for your suggestion, Dora. I will look at it again and add something like that. You are so wonderful to work with. You are very patient to listen to my ranting. And you can pass that on to whoever should know, also.

-Cindy

I just wanted to send you a note to thank you for an excellent presentation on Wednesday morning and for all of your assistance and patience during this process. I couldn't have gotten this far without your help.

From the feedback I received I think we have a good chance to win the contract.

Thank you again, and have a great weekend!

-Al
